**PROXY STATEMENT  
FOR THE 2024 ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held on June 5, 2024 at 11:00 a.m., Eastern Time**

Our board of directors is soliciting your proxy to vote at the 2024 Annual Meeting of Stockholders (the “Annual Meeting”) of Datadog, Inc., a Delaware corporation, to be held virtually, via live webcast at [www.virtualshareholdermeeting.com/DDOG2024](http://www.virtualshareholdermeeting.com/DDOG2024), originating from New York, New York, on Wednesday, June 5, 2024 at 11:00 a.m., Eastern Time, and any adjournment or postponement thereof. We believe hosting a virtual meeting enables participation by more of our stockholders, while lowering the cost of conducting the meeting. Stockholders attending the virtual meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting.

For the Annual Meeting, we have elected to furnish our proxy materials, including this proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 (the “Annual Report”), to our stockholders primarily via the internet. On or about April 19, 2024, we expect to mail to our stockholders a *Notice of Internet Availability of Proxy Materials* (the “Notice”) that contains notice of the Annual Meeting and instructions on how to access our proxy materials on the internet, how to vote at the Annual Meeting, and how to request printed copies of the proxy materials. Stockholders may request to receive all future materials in printed form by mail or by email by following the instructions contained in the Notice. A stockholder’s election to receive proxy materials by mail or email will remain in effect until revoked. We encourage stockholders to take advantage of the availability of the proxy materials on the internet to help reduce the environmental impact and cost of our Annual Meeting.

Only stockholders of record at the close of business on April 9, 2024 (the “Record Date”) will be entitled to vote at the Annual Meeting. On the Record Date, there were 308,107,804 shares of Class A common stock and 26,106,349 shares of Class B common stock outstanding and entitled to vote (together, the “common stock”). **Each holder of Class A common stock will have the right to one vote per share of Class A common stock and each holder of Class B common stock will have the right to ten votes per share of Class B common stock.** The holders of shares of common stock will vote together as a single class on all matters submitted to a vote at the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting will be available for examination at our corporate headquarters for ten days before the Annual Meeting by emailing us at [IR@datadoghq.com](mailto:IR@datadoghq.com). For instructions on how to attend the Annual Meeting, please see the instructions at [www.virtualshareholdermeeting.com/DDOG2024](http://www.virtualshareholdermeeting.com/DDOG2024) and on page 2 of this proxy statement.

In this proxy statement, we refer to Datadog, Inc. as “Datadog,” “we” or “us” and the board of directors of Datadog as “our board of directors.” The Annual Report, which contains consolidated financial statements as of and for the fiscal year ended December 31, 2023, accompanies this proxy statement. You also may obtain a copy of the Annual Report without charge by emailing [IR@datadoghq.com](mailto:IR@datadoghq.com).

## QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

### Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you the Notice because our board of directors is soliciting your proxy to vote at the 2024 Annual Meeting of Stockholders, including at any adjournments or postponements thereof. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about April 19, 2024 to all stockholders of record entitled to vote at the Annual Meeting.

### Will I receive any other proxy materials by mail?

We may send you a proxy card, along with a second Notice ten calendar days after our first mailing of the Notice or thereafter.

### How do I attend, participate in, and ask questions during the Annual Meeting?

We will be hosting the Annual Meeting via live webcast only. Any stockholder can attend the Annual Meeting live online at [www.virtualshareholdermeeting.com/DDOG2024](http://www.virtualshareholdermeeting.com/DDOG2024). The meeting will start at 11:00 a.m., Eastern Time, on Wednesday, June 5, 2024. Stockholders attending the Annual Meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting.

In order to enter the Annual Meeting, you will need the control number, which is included in the Notice or on your proxy card if you are a stockholder of record, or included with your voting instruction card and voting instructions received from your broker, bank or other agent if you hold your shares in “street name.” Instructions on how to attend and participate are available at [www.virtualshareholdermeeting.com/DDOG2024](http://www.virtualshareholdermeeting.com/DDOG2024). We recommend that you log in a few minutes before 11:00 a.m., Eastern Time to ensure you are logged in when the Annual Meeting starts. The webcast will open 15 minutes before the start of the Annual Meeting.

If you would like to submit a question during the Annual Meeting, you may log in at [www.virtualshareholdermeeting.com/DDOG2024](http://www.virtualshareholdermeeting.com/DDOG2024) using your control number, type your question into the “Ask a Question” field, and click “Submit.”

To help ensure that we have a productive and efficient meeting, and in fairness to all stockholders in attendance, you will also find posted our rules of conduct for the Annual Meeting when you log in prior to its start. These rules of conduct will include the following guidelines:

- You may submit questions and comments electronically through the meeting portal during the Annual Meeting.
- Only stockholders of record as of the Record Date for the Annual Meeting and their proxy holders may submit questions or comments.
- Please direct all questions to Olivier Pomel, our Chief Executive Officer.
- Please include your name and affiliation, if any, when submitting a question or comment.
- Limit your remarks to one brief question or comment that is relevant to the Annual Meeting.
- Questions may be grouped by topic by our management.
- Questions may also be ruled as out of order if they are, among other things, irrelevant to our business, related to pending or threatened litigation, disorderly, repetitious of statements already made, or in furtherance of the speaker’s own personal, political or business interests.
- Be respectful of your fellow stockholders and Annual Meeting participants.
- No audio or video recordings of the Annual Meeting are permitted.

### **What if I have technical difficulties or trouble accessing the Annual Meeting?**

We will have technicians ready to assist you with any technical difficulties you may have accessing the Annual Meeting. If you encounter any difficulties accessing the Annual Meeting during the check-in or meeting time, please call the technical support number that will be posted at [www.virtualshareholdermeeting.com/DDOG2024](http://www.virtualshareholdermeeting.com/DDOG2024). Technical support will be available starting at 10:00 a.m., Eastern Time on June 5, 2024.

### **Who can vote at the Annual Meeting?**

Only stockholders of record at the close of business on the Record Date, April 9, 2024, will be entitled to vote at the Annual Meeting. On the Record Date, there were 308,107,804 shares of Class A common stock and 26,106,349 shares of Class B common stock outstanding and entitled to vote.

- **Stockholder of Record: Shares Registered in Your Name.** If, on the Record Date, your shares were registered directly in your name with our transfer agent, Equiniti Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote online during the Annual Meeting or by proxy in advance. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares by proxy in advance of the Annual Meeting through the internet, by telephone or by completing and returning a printed proxy card that you may request or that we may elect to deliver at a later time to ensure your vote is counted.
- **Beneficial Owner: Shares Registered in the Name of a Broker or Bank.** If, on the Record Date, your shares were held not in your name, but rather in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may vote your shares online during the Annual Meeting only by following the instructions from such organization and after obtaining a valid proxy from your broker, bank or other agent.

### **How many votes do I have?**

Each holder of shares of our Class A common stock will have one vote per share of Class A common stock held as of the Record Date, and each holder of shares of our Class B common stock will have ten votes per share of Class B common stock held as of the Record Date. The holders of the shares of our Class A common stock and Class B common stock will vote as a single class on all matters described in this proxy statement for which your vote is being solicited.

### **What am I voting on?**

There are three matters scheduled for a vote:

- **Proposal 1:** Election of two Class II directors, each to hold office until our annual meeting of stockholders in 2027;
- **Proposal 2:** Advisory approval of the compensation of our named executive officers, as disclosed in this proxy statement in accordance with SEC rules;
- **Proposal 3:** Ratification of the selection by the audit committee of our board of directors of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024.

### **What if another matter is properly brought before the Annual Meeting?**

Our board of directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

### **How do I vote?**

- **Stockholder of Record: Shares Registered in Your Name.** If you are a stockholder of record, you may vote (1) online during the Annual Meeting or (2) in advance of the Annual Meeting by proxy through the internet, by telephone or by using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote online even if you have already voted by proxy.

## [Table of Contents](#)

- To vote online during the Annual Meeting, follow the provided instructions to join the Annual Meeting at [www.virtualshareholdermeeting.com/DDOG2024](http://www.virtualshareholdermeeting.com/DDOG2024), starting at 11:00 a.m., Eastern Time on Wednesday, June 5, 2024. The webcast will open 15 minutes before the start of the Annual Meeting.
- To vote in advance of the Annual Meeting through the internet, go to [www.proxyvote.com](http://www.proxyvote.com) to complete an electronic proxy card. You will be asked to provide the control number from the Notice or the printed proxy card. Your internet vote must be received by 11:59 p.m., Eastern Time on Tuesday, June 4, 2024 to be counted.
- To vote in advance of the Annual Meeting by telephone, dial 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the control number from the Notice or the printed proxy card. Your telephone vote must be received by 11:59 p.m., Eastern Time on Tuesday, June 4, 2024 to be counted.
- To vote in advance of the Annual Meeting using a printed proxy card that may be delivered to you, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- **Beneficial Owner: Shares Registered in the Name of Broker or Bank.** If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a Notice containing voting instructions from that organization rather than from us. To vote prior to the Annual Meeting, simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote online during the Annual Meeting, you must follow the instructions from your broker, bank or other agent and will need to obtain a proxy issued in your name from that record holder.

**Internet voting during the Annual Meeting and/or internet proxy voting in advance of the Annual Meeting allows you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your vote instructions. Please be aware that you must bear any costs associated with your internet access.**

### **Can I vote my shares by filling out and returning the Notice?**

No. The Notice identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to vote by proxy in advance of the Annual Meeting through the internet, by telephone, using a printed proxy card or online during the Annual Meeting.

### **What does it mean if I receive more than one Notice?**

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

### **Can I change my vote after submitting my proxy?**

- **Stockholder of Record: Shares Registered in Your Name.** If you are a stockholder of record, then yes, you can revoke your proxy at any time before the final vote at the Annual Meeting. You may revoke your proxy in any one of the following ways:
  - Submit another properly completed proxy card with a later date.
  - Grant a subsequent proxy by telephone or through the internet.
  - Send a timely written notice that you are revoking your proxy via email at [IR@datadoghq.com](mailto:IR@datadoghq.com).
  - Attend the Annual Meeting and vote online during the meeting. Simply attending the Annual Meeting will not, by itself, revoke your proxy. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote in advance of the Annual Meeting by telephone or through the internet so that your vote will be counted if you later decide not to attend the Annual Meeting.

Your most current proxy card or telephone or internet proxy is the one that is counted.

- **Beneficial Owner: Shares Registered in the Name of Broker or Bank.** If you are a beneficial owner and your shares are held in “street name” by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

**If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote without giving specific voting instructions, what happens?**

If you are a stockholder of record and do not vote through the internet, by telephone, by completing the proxy card that may be delivered to you or online during the Annual Meeting, your shares will not be voted.

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted in accordance with the recommendations of our board of directors: “**FOR**” the election of each of the two nominees for director; “**FOR**” the advisory approval of executive compensation; and “**FOR**” the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024. If any other matter is properly presented at the Annual Meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

**If I am a beneficial owner of shares held in “street name” and I do not provide my broker, bank or other agent with voting instructions, what happens?**

If you are a beneficial owner and do not instruct your broker, bank or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether, pursuant to stock exchange rules, the particular proposal is deemed to be a “routine” matter. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under applicable rules and interpretations, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation, and certain corporate governance proposals, even if management-supported. Accordingly, your broker or nominee may vote your shares on Proposal 3. Your broker or nominee, however, may not vote your shares on Proposals 1 and 2 without your instructions. Please instruct your bank, broker or other agent to ensure that your vote will be counted.

**What are “broker non-votes”?**

A “broker non-vote” occurs when your broker submits a proxy for the meeting with respect to “routine” matters but does not vote on “non-routine” matters because you did not provide voting instructions on these matters. These unvoted shares with respect to “non-routine” matters are counted as “broker non-votes.”

*As a reminder, if you are a beneficial owner of shares held in “street name,” in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from such organization.*

**How are votes counted?**

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count: (1) with respect to Proposal 1, votes “**FOR**,” “**WITHHOLD**” and broker non-votes, (2) with respect to Proposal 2, votes “**FOR**,” “**AGAINST**,” abstentions and broker non-votes, and (3) with respect to Proposal 3, votes “**FOR**,” “**AGAINST**” and abstentions.

**How many votes are needed to approve each proposal?**

The following table summarizes the minimum vote needed to approve each proposal and the effect of abstentions, withhold votes and broker non-votes:

<b>Proposal</b>	<b>Vote Required for Approval</b>	<b>“Withhold” Vote</b>	<b>Abstentions</b>	<b>Broker Non-Votes</b>
1. Election of directors	The two nominees receiving the most “ <b>FOR</b> ” votes will be elected.	No effect	Not applicable	No effect
2. Advisory Vote on the Compensation of our Named Executive Officers	This proposal, commonly referred to as the “say-on-pay” vote, must receive “ <b>FOR</b> ” votes from the holders of a majority of the voting power of the shares present at the meeting (by virtual attendance) or represented by proxy and entitled to vote on the proposal. Since this proposal is an advisory vote, the result will not be binding on our board of directors. However, our board of directors values our stockholders’ opinions, and our board of directors and the compensation committee will take into account the outcome of the advisory vote when considering future executive compensation decisions.	Not applicable	Against	No effect
3. Ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024	Must receive “ <b>FOR</b> ” votes from the holders of a majority in voting power of shares present at the meeting (by virtual attendance) or represented by proxy and entitled to vote on the proposal.	Not applicable	Against	Not applicable

**What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the voting power of the outstanding shares entitled to vote at the meeting are present at the Annual Meeting by virtual attendance or represented by proxy. On the Record Date, there were 308,107,804 shares of Class A common stock and 26,106,349 shares of Class B common stock outstanding and entitled to vote.

Abstentions, withhold votes and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of the voting power of the shares present at the Annual Meeting by virtual attendance or represented by proxy may adjourn the Annual Meeting to another date.

**How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

**When are stockholder proposals and director nominations due for next year’s annual meeting?**

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing by December 20, 2024, to our Secretary at 620 8th Avenue, 45th Floor, New York, New York 10018, Attention: Secretary.

Pursuant to our amended and restated bylaws, if you wish to submit a proposal (including a director nomination) at the annual meeting of stockholders to be held in 2025 that is not to be included in the proxy materials, you must do so not later than the close of business on March 7, 2025 nor earlier than the close of business on February 5, 2025. However, if the date of such annual meeting is not held between May 6, 2025 and July 5, 2025, to be timely, notice by the stockholder must be received (A) not earlier than the close of business on the 120th day prior to such annual meeting and (B) not later than the

close of business on the later of the 90th day prior to such annual meeting or, if later than the 90th day prior to such annual meeting, the 10th day following the day on which public announcement of the date of such annual meeting is first made. You are also advised to review our amended and restated bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

### **Who is paying for this proxy solicitation?**

We will pay for the cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid additional compensation for soliciting proxies. We may reimburse brokers, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

## PROPOSAL 1

### ELECTION OF DIRECTORS

Our board of directors currently consists of eight members and is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election until the third annual meeting following the election.

Our directors are divided into the three classes as follows:

- Class II directors: Alexis Lê-Quôc and Michael Callahan, whose terms will expire at the upcoming Annual Meeting;
- Class III directors: Titi Cole, Matthew Jacobson and Julie Richardson, whose terms will expire at the annual meeting of stockholders to be held in 2025; and
- Class I directors: Olivier Pomel, Dev Ittycheria and Shardul Shah, whose terms will expire at the annual meeting of stockholders to be held in 2026.

Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. Vacancies on the board of directors may be filled only by persons elected by a majority of the remaining directors. A director elected by the board of directors to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified. The division of our board of directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of Datadog.

Each of Mr. Lê-Quôc and Mr. Callahan is currently a member of our board of directors, was previously elected by the stockholders and has been nominated for reelection to serve as a Class II director. Each of these nominees has agreed to stand for reelection at the Annual Meeting. Our management has no reason to believe that any nominee will be unable to serve. If elected at the Annual Meeting, each of these nominees would serve until the annual meeting of stockholders to be held in 2027 and until his successor has been duly elected, or if sooner, until the director's death, resignation or removal.

Directors are elected by a plurality of the votes of the holders of shares present by virtual attendance or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of "FOR" votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named above. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by us.

Our nominating and corporate governance committee seeks to assemble a board that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise, diversity and high-level management experience necessary to oversee and direct our business. To that end, the committee has identified and evaluated nominees in the broader context of the board's overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities that the committee views as critical to effective functioning of the board. To provide a mix of experience and perspective on the board, the committee also takes into account geographic, gender, and ethnic diversity. The biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills of each director or director nominee that led the committee to believe that that nominee should continue to serve on the board. However, each of the members of the committee may have a variety of reasons why a particular person would be an appropriate nominee for the board, and these views may differ from the views of other members.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH CLASS II DIRECTOR NOMINEE NAMED ABOVE.**

**INFORMATION REGARDING DIRECTOR NOMINEES AND CURRENT DIRECTORS**

The following table sets forth, for the Class II nominees and our other directors who will continue in office after the Annual Meeting, their ages and position or office held with us as of the date of this proxy statement:

## INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

### Independence of the Board of Directors

Our Class A common stock is listed on the Nasdaq Global Select Market ("Nasdaq"). Under the Nasdaq listing standards, a majority of the members of our board of directors must qualify as "independent," as affirmatively determined by our board of directors. Our board of directors consults with our counsel to ensure that its determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Our board of directors has affirmatively determined that the following six directors are independent within the meaning of the applicable Nasdaq listing standards: Mses. Cole and Richardson and Messrs. Callahan, Ittycheria, Jacobson and Shah. In making this determination, our board of directors found that none of these directors or nominees for director had a material or other disqualifying relationship with Datadog. Messrs. Pomel and Lê-Quôc are not independent due to their positions as executive officers of Datadog.

Accordingly, a majority of our directors are independent, as required under applicable Nasdaq rules. In making this determination, our board of directors considered the applicable Nasdaq rules and all other facts and circumstances our board of directors deemed relevant in determining their independence, including their beneficial ownership of our capital stock.

### Board Leadership Structure

Dev Ittycheria currently serves as lead independent director of our board of directors. The primary responsibilities of the lead independent director are to: work with the Chief Executive Officer to develop board meeting schedules and agendas; provide the Chief Executive Officer feedback on the quality, quantity and timeliness of the information provided to the board; develop the agenda for and moderate executive sessions of the independent members of the board; preside over board meetings when the chairperson is not present; act as principal liaison between the independent members of the board and the Chief Executive Officer; and convene meetings of the independent directors as appropriate. Accordingly, the lead independent director has substantial ability to shape the work of the board. We believe that having a lead independent director supports the board in its oversight of the business and affairs of Datadog. In addition, we believe that having a lead independent director creates an environment that is conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the board to monitor whether management's actions are in the best interests of Datadog and its stockholders. As a result, Datadog believes that having a lead independent director can enhance the effectiveness of the board as a whole.

## **Role of the Board in Risk Oversight**

Our board of directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, to improve long-term organizational performance, and to enhance stockholder value. A fundamental part of risk management is not only understanding the most significant risks a company faces and what steps management is taking to manage those risks but also understanding what level of risk is appropriate for a given company. The involvement of our full board of directors in reviewing our business is an integral aspect of its assessment of management's tolerance for risk and also its determination of what constitutes an appropriate level of risk.

While our full board of directors has overall responsibility for risk oversight, it has delegated oversight of certain risks to its committees. Our audit committee monitors our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Furthermore, our audit committee oversees risks associated with cybersecurity, information security and data privacy, and generally, each quarter, the audit committee reviews and discusses with our Chief Information Security Officer material cybersecurity risks and our processes for assessing, identifying, and managing such risks, and the audit committee will receive updates as necessary between each quarterly meeting. Further, our audit committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our compensation committee monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Our nominating and corporate governance committee oversees our major corporate governance risks, including through monitoring the effectiveness of our Corporate Governance Guidelines.

In connection with its reviews of the operations of our business, our full board of directors addresses the primary risks associated with our business including, for example, strategic planning. Our board of directors appreciates the evolving nature of our business and industry and is actively involved with monitoring new threats and risks as they emerge.

At periodic meetings of our board of directors and its committees, management reports to and seeks guidance from our board and its committees with respect to the most significant risks that could affect our business, such as legal risks, information security and privacy risks, and financial, tax and audit-related risks. In addition, among other matters, management provides our audit committee periodic reports on our compliance programs and investment policy and practices.

## **Meetings of the Board of Directors**

Our board of directors is responsible for the oversight of management and the strategy of our company and for establishing corporate policies. Our board of directors meets periodically during the year to review significant developments affecting us and to act on matters requiring the approval of our board of directors. Our board of directors met five times during our last fiscal year, of which each director attended 75% or more of the aggregate of the meetings of our board of directors and of the committees on which he or she served. We encourage our directors and nominees for director to attend our Annual Meeting. All of the directors attended our 2023 annual meeting of stockholders.

***Nominating and Corporate Governance Committee***

The nominating and corporate governance committee of our board of directors consists of Messrs. Jacobson, Ittycheria and Shah and Ms. Cole. Mr. Jacobson is the chair of the nominating and corporate governance committee.

Our board of directors reviews the Nasdaq listing standards definition of independence on an annual basis and has determined that each member of and nominee to the nominating and corporate governance committee satisfies the independence requirements under Nasdaq listing standards.

The principal duties and responsibilities of our nominating and corporate governance committee include, among other things:

- identifying, evaluating, and selecting, or recommending that our board of directors approve, nominees for election to our board of directors and its committees;
- approving the retention of director search firms;
- evaluating the performance of our board of directors, committees of the board and of individual directors;

- periodically reviewing our ESG policies, programs and public disclosure, and considering current and emerging ESG trends.

The nominating and corporate governance committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements and having the highest personal integrity and ethics. The nominating and corporate governance committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. These qualifications may be modified from time to time. In conducting this assessment, the nominating and corporate governance committee typically considers diversity (including gender, racial and ethnic diversity), skills and such other factors as it deems appropriate, given the current needs of the board of directors and our business, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the nominating and corporate governance committee reviews these directors’ overall service to Datadog during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors’ independence. To identify new director candidates, the nominating and corporate governance committee may engage, if it deems appropriate, a professional search firm. In the case of new director candidates, our nominating and

corporate governance committee also evaluates whether the nominee is independent for Nasdaq purposes, based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. Our nominating and corporate governance committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our board of directors. Our nominating and corporate governance committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to our board of directors.

Our nominating and corporate governance committee will consider stockholder recommendations of director candidates, so long as they comply with applicable law and our amended and restated bylaws, which procedures are summarized below, and will review the qualifications of any such candidate in accordance with the criteria described in the two preceding paragraphs. Stockholders who wish to recommend individuals for consideration by our nominating and corporate governance committee to become nominees for election to our board of directors should do so by delivering a written recommendation to our nominating and corporate governance committee at 620 8th Avenue, 45th Floor, New York, New York 10018, Attention: Secretary, at least 120 days prior to the anniversary date of the mailing of our proxy statement for the last annual meeting of stockholders.

Any such submission must be accompanied by the written consent of the proposed candidate to be named as a nominee and to serve as a director if elected.

If, rather than submitting a candidate to the nominating and corporate governance committee for consideration, you wish to formally nominate a director pursuant to proxy materials that you will prepare and file with the SEC, please see the deadline described in "When are stockholder proposals and director nominations due for next year's annual meeting?" above and refer to our amended and restated bylaws for a complete description of the required procedures for nominating a candidate to our board of directors.

“RESOLVED, that the Company’s stockholders hereby approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for the 2024 Annual Meeting of Stockholders, pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the accompanying narrative.”

The approval of this non-binding proposal requires the affirmative vote of a majority of the voting power of the shares of our common stock present at the meeting (by virtual attendance) or by proxy and entitled to vote thereon.

Since this proposal is an advisory vote, the result will not be binding on our board of directors or our compensation committee. However, our board of directors values our stockholders’ opinions, and our board of directors and the compensation committee will take into account the outcome of the advisory vote when considering future executive compensation decisions.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE NON-BINDING RESOLUTION ON NAMED EXECUTIVE OFFICER COMPENSATION.**

### **2023 Advisory Vote on Executive Compensation**

At last year's annual meeting of stockholders, approximately 96% of votes cast approved the "say-on-pay" proposal regarding the compensation awarded to our named executive officers. We take the views of our stockholders seriously and view this result as an indication that the principles of our executive compensation program are supported by our stockholders. We have adopted a policy pursuant to which we plan to hold a say-on-pay vote on an annual basis. A "say-on-frequency" vote is required every six years, and as such, our next say-on-frequency vote will be in 2027.

### **Executive Summary**

The important features of our executive compensation program include the following:

<b>What we do</b>	<b>What we don't do</b>
<ul style="list-style-type: none"><li>• Our compensation committee consists solely of independent members of our board of directors.</li><li>• Our compensation committee has retained an independent third-party compensation consultant for guidance in making compensation decisions.</li><li>• Each year we assess our executive compensation against a reasonable set of industry competitors generally of a similar size and value.</li><li>• We conduct an annual compensation risk assessment to determine if our executive compensation program presents any risks that are reasonably likely to have a material adverse effect on the company.</li><li>• A significant portion of our named executive officers' compensation is variable, at-risk and tied directly to our measurable performance.</li><li>• Our annual performance-based bonus opportunities and a portion of our long-term equity incentive opportunities are dependent upon our achievement of annual corporate objectives established each year.</li><li>• Our annual performance-based bonus opportunities and performance-based long-term equity incentive opportunities are subject to payout caps tied to significant over achievement of applicable annual performance targets.</li><li>• Equity awards with multi-year vesting periods are an integral part of our executive compensation program, and comprise the primary at-risk portion of our named executive officer compensation package.</li><li>• Incentive compensation received by our named executive officers is subject to recoupment under our clawback policy if there is an accounting restatement.</li></ul>	<ul style="list-style-type: none"><li>• We do not provide guaranteed annual bonuses or equity award rights for our executives.</li><li>• We prohibit hedging and pledging of Datadog stock.</li><li>• We do not provide excessive severance payments.</li><li>• We do not provide single-trigger vesting acceleration upon a change in control.</li><li>• We do not provide our executive officers with any excise tax gross-ups.</li></ul>

**Objectives, Philosophy and Elements of Executive Compensation**

Our compensation program aims to achieve the following main objectives:

- attract, retain and reward highly-qualified executives who have the skills and leadership necessary to grow our business;
- provide incentives that motivate and reward for achievement of our key performance goals; and
- align our executives’ interests with those of our stockholders by linking their long-term incentive compensation opportunities to our annual performance and stockholder value creation and their cash incentives to our annual performance.

Our executive compensation program generally consists of the following three principal components: base salary, performance-based cash bonus and long-term equity incentive compensation. We also provide our executive officers with benefits available to all our employees, including retirement benefits under Datadog’s 401(k) plan and participation in employee benefit plans. The below chart summarizes the three main elements of our executive compensation, their objectives and key features.

<b>Element</b>	<b>Objectives</b>	<b>Key Features</b>
Base Salary (fixed cash)	<ul style="list-style-type: none"> <li>• Provides stable income for performing job responsibilities.</li> <li>• Attracts highly-qualified executives.</li> </ul>	<ul style="list-style-type: none"> <li>• Generally reviewed annually and determined by the compensation committee based on a number of factors (including company and individual performance) and by reference, in part, to market data obtained from our compensation committee’s independent compensation consultant.</li> </ul>
Performance-Based Cash Bonus (at-risk cash)	<ul style="list-style-type: none"> <li>• Motivates and rewards for contributing to our key business objectives.</li> <li>• Balances achievement of top-line and bottom-line performance metrics, specifically, net new ARR and non-GAAP operating income, to provide incentives that drive efficient, long-term growth.</li> <li>• Aligns management and stockholder interests by linking pay to performance.</li> </ul>	<ul style="list-style-type: none"> <li>• Target amounts generally reviewed annually and determined by the compensation committee based upon positions that have similar impact on the organization and competitive bonus opportunities in our market.</li> <li>• Bonus opportunities are dependent upon achievement of specific corporate performance objectives consistent with our long-term strategic plan, generally determined by the compensation committee and communicated at the beginning of the year.</li> <li>• Bonus payouts for our named executive officers apart from our Chief Revenue Officer are subject to a cap of 200% of the annual target bonus opportunity that may only be achieved in the event of significant out-performance relative to our target performance goals each year. We believe the cap manages potential incentive compensation costs and avoids incentivizing undue risk in our executive compensation program, while still maintaining appropriate incentives for our named executive officers.</li> </ul>

## [Table of Contents](#)

Element	Objectives	Key Features
Long-Term Equity Incentive (at-risk equity)	<ul style="list-style-type: none"><li>• Motivates and rewards for long-term company performance as well as key business objectives.</li><li>• Aligns management and stockholder interests by linking pay to performance.</li><li>• Attracts highly-qualified executives and encourages their continued employment over the long-term.</li></ul>	<ul style="list-style-type: none"><li>• Equity opportunities are generally reviewed annually and granted during the first half of the year.</li><li>• Individual awards are determined based on a number of factors (including company and individual performance) and by reference, in part, to market data obtained from our compensation committee's independent compensation consultant.</li><li>• A significant portion of long-term equity incentive compensation for our named executive officers is granted in the form of performance-based restricted stock units ("PSUs"). These awards may be earned contingent upon achievement of specific corporate performance objectives. We believe this further aligns interests with our stockholders in driving long-term company performance and growth in value.</li><li>• The number of PSUs that may be earned is subject to a cap of 200% of the target number of PSUs. We believe the cap manages potential incentive compensation costs and avoids incentivizing undue risk in our executive compensation program, while still maintaining appropriate incentives for our named executive officers</li></ul>

We focus on providing a competitive compensation package to our executive officers that provides significant short and long-term incentives for the achievement of measurable corporate objectives. We believe that this approach provides an appropriate blend of short-term and long-term incentives to maximize stockholder value.

We do not have any formal policies for allocating compensation among salary, performance bonus awards and equity grants, short-term and long-term compensation or among cash and non-cash compensation. Instead, the compensation committee uses its judgment to establish a total compensation program for each named executive officer that is a mix of current, short-term and long-term incentive compensation, and cash and non-cash compensation, that it believes appropriate to achieve the goals of our executive compensation program and our corporate objectives. However, historically we have structured a significant portion of the named executive officers' total target compensation so that it is comprised of performance-based bonus opportunities and long-term equity awards in order to align the executive officers' incentives with the interests of our stockholders and achievement of our corporate goals.

### **How We Determine Executive Compensation**

#### *Role of our Compensation Committee, Management and the Board*

The compensation committee is appointed by our board of directors and helps our board of directors oversee our compensation policies, plans and programs with the goal of attracting, incentivizing, retaining and rewarding top-quality executive management and employees. The compensation committee is responsible for reviewing and determining all compensation paid to our executive officers, including our named executive officers, and also reviews our compensation practices and policies as they relate to risk management and risk-taking incentives. Our compensation committee consists solely of independent members of the board.

The compensation committee meets periodically throughout the year to manage and evaluate our executive compensation program, and generally determines the principal components of compensation (base salary, performance bonus and equity awards) for our executive officers on an annual basis; however, decisions may occur at other times for new hires, promotions or other special circumstances as our compensation committee determines appropriate. The compensation committee does not delegate authority to approve executive officer compensation. The compensation committee does not maintain a formal policy regarding the timing of equity awards to our executive officers.

## [Table of Contents](#)

In fulfilling its responsibilities, the compensation committee considers input from an independent compensation consultant and, as appropriate, management. The Chief Executive Officer evaluates and provides to the compensation committee performance assessments and compensation recommendations. While the Chief Executive Officer discusses his recommendations with the compensation committee, he does not participate in the deliberations concerning, or the determination of, his own performance and compensation. The compensation committee discusses and makes final determinations with respect to executive compensation matters without the Chief Executive Officer present during discussions of the Chief Executive Officer's compensation. From time to time, various other members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, provide financial or other background information or advice or otherwise participate in the compensation committee meetings.

### *Role of Compensation Consultant*

The compensation committee has the sole authority to retain compensation consultants to assist in its evaluation of executive compensation, including the authority to approve the consultant's reasonable fees and other retention terms. The compensation committee retained Compensia as its independent compensation consultant for 2023. Compensia's engagement included:

- compiling a group of peer companies to use as a reference in evaluating current executive pay practices and considering different compensation programs to aid making executive compensation decisions for 2023;
- conducting market research and analysis to assist the compensation committee in developing executive compensation levels, including appropriate salaries and the size and structures of target bonus amounts and equity awards for our executives, including the named executive officers;
- periodically reviewing and advising on compensation trends and regulatory developments;
- reviewing market and peer group equity usage metrics to assist with understanding of Datadog's equity budget relative to market;
- conducting an annual compensation risk assessment; and
- periodically conducting a review of our director compensation policies and practices.

The compensation committee has analyzed whether the work of Compensia as compensation consultant raises any conflict of interest, taking into account relevant factors in accordance with SEC guidelines. Based on its analysis, the compensation committee determined that the work of Compensia and the individual compensation advisors employed by Compensia does not create any conflict of interest pursuant to the SEC rules and stock exchange listing standards.

### *Use of Competitive Market Compensation Data*

The compensation committee believes that it is important when making its compensation decisions to be informed as to the current practices of comparable public companies with which we compete for top talent. To this end, the compensation committee directed its independent compensation consultant to develop a proposed peer group list of the publicly-traded companies to be used in connection with assessing our compensation practices.

The independent compensation consultant proposed, and the compensation committee approved, a group of public companies that are reasonably comparable to Datadog in terms of industry and financial characteristics to provide management and the compensation committee with relevant compensation information to support compensation decision-making. The executive compensation peer group was intended to reflect companies with executive positions of similar scope and complexity to Datadog. In determining the peer group, the independent compensation consultant considered whether a company was (i) U.S.-headquartered; (ii) a software / services company focused on SaaS and enterprise; (iii) generally within a range of 0.5x to 2.5x Datadog's revenue; and (iv) generally within a range of 0.3x to 3.0x Datadog's market capitalization.

## [Table of Contents](#)

The independent compensation consultant also considered several secondary factors, including whether a potential peer company had strong revenue growth, completed an initial public offering around the time of our initial public offering, competes with us for executive talent, and had a comparable headcount. The peer group with respect to 2023 is as follows:

Atlassian	HubSpot	The Trade Desk
Cloudflare	MongoDB	Twilio
CrowdStrike Holdings	Okta	Unity Software
DocuSign	Paycom Software	Veeva Systems
Elastic	Palantir Technologies	Zscaler
Fortinet	Snowflake	

The compensation committee reviews our peer group at least annually and makes adjustments to its composition, if warranted, taking into account changes in both our business and the businesses of the companies in the peer group. For 2023 compensation benchmarking, Avalara, Coupa Software, and Zendesk were removed because they ceased to be publicly traded and RingCentral was removed because it was significantly below the market capitalization range in the selection criteria above. Atlassian, Fortinet and Unity Software were added based on a review of comparability across the range of selection criteria referenced above.

Using data compiled from the peer companies, the independent compensation consultant completed an assessment of our executive compensation to inform the compensation committee's determinations regarding executive compensation for 2023. The independent compensation consultant prepared, and the compensation committee reviewed, a range of market data reference points with respect to base salary, performance bonuses, total target cash compensation (base salary and the annual target performance bonus), equity compensation grant value, and target total direct compensation (total target cash compensation and equity compensation grant value) with respect to each of the named executive officers. The compensation committee did not target pay to fall at any particular percentile of the market data, but rather reviewed these market data reference points as a helpful reference point in making 2023 compensation decisions. Market data is only one of the factors that the compensation committee considers in making compensation decisions. The compensation committee considers other factors as described below under "Factors Used in Determining Executive Compensation."

### **Factors Used in Determining Executive Compensation**

The compensation committee sets the compensation of our named executive officers at levels determined to be competitive and appropriate for each named executive officer, using their professional experience and judgment. Pay decisions are not made by use of a formulaic approach or benchmark; the compensation committee believes that executive pay decisions require consideration of a multitude of relevant factors which may vary from year to year. In making executive compensation decisions, the compensation committee generally takes into consideration the factors listed below.

- Company and individual performance
- Existing business needs and criticality for future business needs and performance
- Scope of job function and skill set
- Relative pay among our executive officers
- Need to attract new talent and retain existing talent in a highly competitive industry
- Value of existing equity holdings, including the potential value of unvested equity awards
- Range of market data reference points, as described above under "Use of Competitive Market Compensation Data"
- Recommendations from the independent compensation consultant and the CEO (other than for his own compensation)

### **2023 Executive Compensation Program**

#### ***Base Salary***

Base salary represents the fixed portion of the compensation of our executive officers, and is an important element of compensation intended to attract and retain highly-talented individuals. In February 2023, the compensation committee reviewed the base salaries of our executive officers, taking into consideration the competitive market analysis prepared by

## [Table of Contents](#)

its compensation consultant and the recommendations of our Chief Executive Officer, as well as the other factors described in the section above. Following this review, in April 2023 the compensation committee determined the base salaries of our named executive officers, other than our Chief Revenue Officer, were appropriate and would remain at their fiscal 2022 levels. The compensation committee approved a base salary increase for our Chief Revenue Officer, effective March 1, 2023, to bring his base salary to a level more aligned to the range of those of similarly-situated executives at the companies in our peer group. The base salaries approved for our named executive officers were as follows:

Named Executive Officer	Change From Fiscal 2022		Base Salary
Olivier Pomel	No change	\$	400,000
David Obstler	No change	\$	400,000
Alexis Lê-Quốc	No change	\$	400,000
Amit Agarwal	No change	\$	400,000
Sean Walters	11%		\$400,000, increased from \$360,000

### *Annual Performance-Based Cash Bonus*

Our annual performance-based cash bonus awards provide incentive compensation that is specifically designed to motivate our executive officers to achieve pre-established, company-wide priorities set by the compensation committee and to reward them for results and achievements in a given year. The annual target bonus opportunities for our named executive officers are determined by the compensation committee and expressed as a percentage of each individual's annual base salary, as adjusted by the compensation committee pursuant to its review described above. Following a review of the factors described in the section above, the compensation committee determined that the target bonus opportunity for our named executive officers, other than our Chief Revenue Officer, should remain unchanged at the same level set for fiscal year 2022. The compensation committee approved an increase in target bonus opportunity for our Chief Revenue Officer to bring his target bonus opportunity to a level more aligned to the range of those of similarly-situated executives at the companies in our peer group. Bonus payouts are capped at 200% of the 2023 annual target bonus opportunities for all named executive officers apart from our Chief Revenue Officer. We believe the cap manages potential incentive compensation costs and avoids incentivizing undue risk in our executive compensation program, while still maintaining appropriate and rigorous incentives for our named executive officers. The target bonus opportunities approved for our named executive officers for 2023 were as follows:

Named Executive Officer	Change From Fiscal 2022		Target Bonus Opportunity
Olivier Pomel	No change	\$	375,000
David Obstler	No change	\$	375,000
Alexis Lê-Quốc	No change	\$	375,000
Amit Agarwal	No change	\$	375,000
Sean Walters	11%		\$400,000, increased from \$360,000

### *Executive Bonus Goal Setting*

The compensation committee approved the performance metrics for 2023 performance-based cash bonus awards in March 2023. The targets against which performance is measured are generated through our annual budget and strategic planning process, which was reviewed with our board of directors and finalized in the first quarter of fiscal year 2023. The compensation committee determined that the performance goals for our named executive officers for 2023 would be based on the attainment of net new ARR, with certain decelerators applied for all named executive officers apart from our Chief Revenue Officer if non-GAAP operating income fell below a target amount. Net new ARR is calculated as the difference between the annual run-rate revenue, or ARR, as of December 31, 2023 and ARR as of December 31, 2022. The performance target for net new ARR for these named executive officers was 100% of our fiscal year 2023 operating plan. These named executive officers will only earn a bonus if our net new ARR attainment is at least 80% of the net new ARR performance target. The compensation committee intended the performance goals for our named executive officers to be challenging to attain based on analysis of external market factors and internal forecasts.

As our Chief Revenue Officer's responsibilities are focused on sales, the compensation committee determined that it would be more appropriate for him to participate in a cash bonus plan aligned with the cash bonus plans applicable to the global sales team. The performance goal for our Chief Revenue Officer was based on attainment of net new ARR generated by

## [Table of Contents](#)

the sales channels over which he has oversight responsibility. The performance goal for our Chief Revenue Officer was generated through our internal sales target process for the fiscal year, and was established at 100% of such target for 2023. The compensation committee intended the performance goals for our Chief Revenue Officer to be challenging to attain based on analysis of external market factors and internal forecasts.

For purposes of calculating the bonus payout amount, when the net new ARR attainment exceeds the performance target (which would, in the compensation committee's view, require extraordinary efforts), accelerators are triggered in order to reward higher than targeted performance. Such bonus payout amount is subject to a cap as described above for all named executive officers apart from our Chief Revenue Officer. Actual bonuses earned for fiscal year 2023 are included in the "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table" and are further discussed below.

### *Fiscal 2023 Bonus Payouts*

In February 2024, the compensation committee determined the achievement of the net new ARR target for fiscal 2023 was approximately 89% and the non-GAAP operating income target had been achieved, resulting in a bonus payout of approximately 89% of the named executive officers' annual target bonus opportunities.

For our Chief Revenue Officer, the compensation committee approved the attainment of performance goals semi-annually. In July 2023, the compensation committee approved payments for the first half of the fiscal 2023 based on the percentage attainment at mid-year against the annual performance target, resulting in a bonus payment equal to approximately 29% of Mr. Walter's annual target bonus opportunity. In February 2024, the achievement of corporate performance goals for fiscal year 2023 was determined to be 77% of Mr. Walter's annual target bonus opportunity. Only the portion that was earned in excess of the amount determined and paid in August 2023 was paid in March 2024.

Named Executive Officer	Target Bonus Opportunity		Actual Bonus Earned		Actual Bonus Earned (as a % of Target)
Olivier Pomel	\$	375,000	\$	335,546	89 %
David Obstler	\$	375,000	\$	335,546	89 %
Alexis Lê-Quôc	\$	375,000	\$	335,546	89 %
Amit Agarwal	\$	375,000	\$	335,546	89 %
Sean Walters	\$	400,000	\$	308,729	77 %

The amount of the bonus earned with respect to fiscal year 2023 for each named executive officer was determined in strict accordance with the terms of the applicable annual bonus program based on performance, with no use of upward discretion and no supplemental bonus paid to any named executive officer.

### *Equity Awards*

We view long-term incentive compensation in the form of equity awards as a critical element of our executive compensation program. The realized value of these equity awards bears a direct relationship to our stock price, and, therefore, these awards are an incentive for our executive officers to create value for our stockholders. Equity awards also help us retain qualified executive officers in an increasingly competitive market.

Long-term incentive compensation opportunities in the form of equity awards are granted to our Chief Executive Officer and our other executive officers by the compensation committee. As with other elements of compensation, the compensation committee determines the amount of long-term incentive compensation for our executive officers as part of its annual compensation review and after taking into consideration the individual officer's responsibilities and performance, existing equity retention profiles, our total annual projected equity budget and the other factors described in "Factors Used in Determining Executive Compensation" above. For awards to executive officers other than the Chief Executive Officer, the compensation committee also takes into account the recommendations of the Chief Executive Officer with respect to appropriate grants as well as performance and impact, scope of role, retention goals and other circumstances. The amounts of the equity awards are intended to provide competitively-sized awards and resulting target total direct compensation opportunities that the compensation committee believes are reasonable and appropriate taking into consideration the factors described herein.

The target value of long-term equity incentive compensation was weighted 50% in the form of PSUs and 50% in the form of restricted stock unit ("RSU") awards. Such awards are settled for shares of our Class A common stock upon satisfaction

## [Table of Contents](#)

of vesting conditions. The RSUs are subject to service based vesting conditions and the PSUs are subject to performance and service based vesting conditions. Because these equity awards are subject to a multi-year vesting requirement, they serve our retention objectives since our executive officers generally must remain continuously employed by us through the applicable vesting dates to fully earn these awards. In addition, since the value of these awards fluctuates with any changes in the value of the underlying shares, they serve as an incentive that aligns the interests of our executive officers with the long-term interests of our stockholders. In particular, the PSUs are specifically designed to motivate our executive officers to achieve pre-established, company-wide performance targets set by the compensation committee and to reward them for the results and achievements in a given year. We believe this further aligns interests with our stockholders in driving long-term company performance and growth in value. Together, RSUs and PSUs are important tools to motivate and retain our named executive officers, since the value of the awards is delivered to our executive officers over four-year periods, subject to their continued service.

### *2023 Equity Awards*

In April 2023, our named executive officers received RSU and PSU allocations based on the compensation committee's review of the competitive market data for their respective positions, the size and vesting schedule of the equity awards previously granted to them, each executive's overall responsibility for our performance and success as well as the factors described in "Factors Used in Determining Executive Compensation" above.

The following table sets forth the equity awards granted to our named executive officers on April 25, 2023 pursuant to the annual compensation review described above:

<b>Named Executive Officer</b>	<b>Time-Based RSUs (#)<sup>(1)</sup></b>	<b>Target PSUs (#)<sup>(1)</sup></b>	<b>Total Fair Value at Grant Date<sup>(2)</sup></b>	
Olivier Pomel	87,007	87,007	\$	10,908,938
David Obstler	65,255	65,255	\$	8,181,672
Alexis Lê-Quốc	87,007	87,007	\$	10,908,938
Amit Agarwal	87,007	87,007	\$	10,908,938
Sean Walters	61,630	61,630	\$	7,727,169

(1) The RSUs are subject to service based vesting conditions and the PSUs are subject to performance and service based vesting conditions. The shares underlying the RSUs and earned PSUs vest as to one-quarter of the shares on March 1, 2024 and the remainder of the shares vest in 12 equal installments on each June 1, September 1, December 1 and March 1 thereafter, subject to the named executive officer remaining in continuous service with us through each such vesting date.

(2) Amounts reported represent the aggregate grant date fair value of RSUs and PSUs (with respect to the PSU awards, assuming target performance is achieved) granted to our executive officers under our 2019 Equity Incentive Plan (the "2019 Plan"), computed in accordance with Financial Accounting Standard Board Accounting Standards Codification, Topic 718 ("ASC Topic 718"), excluding the effect of estimated forfeitures. The assumptions used in calculating the grant date fair value reported in this column are set forth in the notes to our audited consolidated financial statements included in the Annual Report. This amount does not reflect the actual economic value that may be realized by the executive officer.

### *PSU Award Design*

The compensation committee approved the terms of the PSUs including the performance metrics in March 2023. The PSUs vest based on the satisfaction of both a four-year service based vesting condition and a one-year performance condition. The targets against which performance is measured are generated through our annual budget and strategic planning process, which was reviewed with our board of directors and finalized in the first quarter of fiscal year 2023. For 2023, the compensation committee determined that the performance goals for our named executive officers would be based on the growth of annual revenue and also subject to the achievement of a target amount of non-GAAP operating income. Our named executive officers would only be eligible to vest in the PSU award if fiscal year 2023 revenue is at least 92% of the performance target and the target amount of non-GAAP operating income is achieved. When revenue exceeds the performance target (which would, in the compensation committee's view, require extraordinary efforts), accelerators are triggered in order to reward the higher than targeted performance. The compensation committee intended the performance goals for our named executives officers to be challenging to attain based on analysis of external market factors and internal forecasts. For example, our fiscal 2023 revenue target reflected a revenue growth rate of 28% year-over-year. In addition, the number of PSUs that may be earned is subject to a cap of 200% of the target number of PSUs. We believe the cap manages potential incentive compensation costs and avoids incentivizing undue risk in our executive compensation program, while still maintaining appropriate incentives for our named executive officers.

For the year ended December 31, 2023, revenue was \$2.13 billion, an increase of 27% year-over-year. Based on our actual performance, the compensation committee determined that the non-GAAP operating income target was met and the revenue performance target was achieved at 99% of target, and as a result 92% of each named executive officer's target PSU award was earned.

	Target	Actual	Achievement	Achievement	PSUs Earned
	(in thousands)		(as a % of Target)	(as a % of fiscal 2022 Revenue)	(as a % of Target)
Revenue	\$ 2,141,661	\$ 2,128,359	99 %	127 %	92 %

The following table sets forth the PSU awards earned by our named executive officers upon certification by the compensation committee on February 27, 2024. The number of PSUs earned was determined in strict accordance with the terms of PSU award based on performance, with no exercise of discretion.

Named Executive Officer	PSUs Earned (#) <sup>(1)</sup>
Olivier Pomel	80,252
David Obstler	60,189
Alexis Lê-Quốc	80,252
Amit Agarwal	80,252
Sean Walters	56,846

(1) The PSUs are subject to performance and service based vesting conditions.

## Other Features of Our Executive Compensation Program

### Severance and Change in Control Benefits

We have entered into an executive severance agreement with each of our named executive officers. The agreements provide that upon a termination by us without "cause" or by the executive due to "good reason" (each as defined in the agreement), the executive will receive a lump sum payment equal to the sum of six months of base salary and 50% of the executive's target bonus, as well as continued payment of premiums pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") for six months (or, if earlier, until the date that the executive is eligible for substantially equivalent coverage under a subsequent employer's plan). If such termination of employment occurs within three months prior to, or 12 months following, a "change in control" (as defined in the agreement), the executive will instead receive a lump sum payment equal to the sum of 12 months of base salary and 100% of the executive's target bonus, as well as continued payment of COBRA premiums for 12 months (or, if earlier, when the executive is eligible for substantially equivalent coverage under a subsequent employer's plan), and will also receive 100% vesting of equity awards, excluding awards that vest based upon the satisfaction of performance criteria. The terms of the applicable award agreement govern the treatment of performance-based equity awards upon a change in control. Such agreement provides that upon a change in control PSUs that have been earned based upon the achievement of performance targets and certification by the compensation committee but remain subject to time-based vesting will be subject to the change in control provisions of the executive severance agreement. Awards granted prior to the completion of our initial public offering are subject to this acceleration only to the extent more favorable than the existing terms of such awards.

Mr. Obstler's executive severance agreement will apply only to the extent more favorable than the terms of his offer letter. Under Mr. Obstler's offer letter, if he resigns for good reason or we terminate his employment other than for death, "cause" or "permanent disability" (each as defined in his offer letter), then Mr. Obstler will be eligible to receive the following severance benefits (less applicable tax withholdings): (1) six months of base salary paid in accordance with our regular payroll practices; (2) a prorated target bonus for the greater of the portion of the applicable calendar year during which he was employed or six months, payable pro rata over the six-month severance period; and (3) payment on his behalf of the premiums for him and his eligible dependents to continue coverage under our group health plan pursuant to COBRA for a period of up to six months following the date his employment terminates. As a condition to receiving the severance benefits above, Mr. Obstler must sign and not revoke a general release agreement in a form reasonably acceptable to us within the time period set forth in his offer letter.

### ***Other Benefits***

We do not generally provide perquisites or personal benefits to our named executive officers. Our named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, group life, disability and accidental death and dismemberment insurance plans, in each case on the same basis as all of our other employees. As with all other employees, we pay the premiums for basic life, accidental death and dismemberment and disability insurance for our named executive officers.

We maintain a defined contribution retirement plan that provides eligible employees, including each of our named executive officers, with an opportunity to save for retirement on a tax-advantaged basis. Eligible employees may defer eligible compensation on a pre-tax basis, up to the statutorily prescribed annual limits on contributions under the Internal Revenue Code of 1986, as amended (the “Code”). We match contributions to the plan by our employees, including our executive officers, up to a maximum of \$2,000. Employee contributions are allocated to each participant’s individual account and are then invested in selected investment alternatives according to the participant’s directions. Employees are immediately and fully-vested in their contributions and fully-vested in the company’s matching contribution after one year of service. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan’s related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan.

In 2023, we made a one-time payment of filing fees and related legal fees on behalf of Mr. Agarwal in order for him to maintain his stock ownership in the Company in compliance with the Hart-Scott-Rodino Antitrust Improvements Act of 1976. These one-time payments were not grossed up for taxes. The total amount of such payments is set forth in the “All Other Compensation” column of the Summary Compensation Table below.

### **Clawback**

Our board of directors has adopted an Incentive Compensation Recoupment Policy, or clawback policy, effective as of October 2, 2023, which is consistent with the rules adopted by the SEC and the listing standards established by Nasdaq. Under our clawback policy, if we are required to prepare an accounting restatement, we must reasonably promptly recoup from any current or former covered executive officer, including our named executive officers, the amount of incentive-based compensation received by such covered executive officer in excess of the amount of incentive based compensation that would have been received had such amount been determined based on the accounting restatement. Incentive-based compensation that was erroneously received during the three fiscal years preceding the date on which an accounting restatement was deemed required is subject to potential clawback.

### **Policy Prohibiting Hedging and Pledging**

Our insider trading policy prohibits all directors, officers, other employees and designated consultants from purchasing our stock on margin or holding our stock in a margin account, pledging our stock as collateral or engaging in hedging, derivative or similar transactions with respect to our stock, such as prepaid variable forwards, equity swaps, collars, exchange funds, puts, calls and short sales.

- (1) Represents the cash bonus amounts each named executive officer is eligible to receive under our non-equity incentive plan based on the company's attainment of a specified amount of net new ARR and non-GAAP operating income. The amounts shown in the "Threshold" column represent a bonus payout if our net new ARR attainment is at least 80% of the net new ARR performance target provided the minimum non-GAAP operating income performance metric is met. If net new ARR attainment is below 80% of the target or the minimum non-GAAP operating income performance metric is not met, no cash bonus will be paid. The amounts shown in the "Max" column represent the maximum bonus payout if the highest tier of net new ARR performance and non-GAAP operating income under the bonus plan is achieved or exceeded, and reflects a cap equal to 200% of the amounts shown under the Target column. For Mr. Walters, these amounts represent cash bonus opportunities for which he is eligible under a plan aligned with the cash bonus plans applicable to the global sales team. Such amounts do not represent actual compensation earned by our named executive officers for the year ended December 31, 2023. The dollar value of the actual payments for these awards is included in the "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table" above.
- (2) Represents the number of Class A common shares subject to PSUs granted to our named executive officers, which are earned based on the Company's achievement of a specified amount of revenue and non-GAAP operating income. The amounts shown in the "Threshold" column represent the number of PSUs earned if the minimum revenue performance metric is achieved provided the target non-GAAP operating income performance is met, and reflects 25% of the amounts shown under the Target column. The amounts shown in the "Max" column represent the maximum number of PSUs earned if the highest tier of revenue performance under the terms of the PSU awards is achieved or exceeded provided the target non-GAAP operating income performance metric is met, and reflects cap of 200% of the amounts shown under the Target column. In February 2024, the compensation committee certified the actual number of PSU awards earned by our named executive officers.
- (3) Amounts reported represent the aggregate grant date fair value of RSUs and target PSUs granted to our executive officers under our 2019 Plan, computed in accordance with ASC Topic 718, excluding the effect of estimated forfeitures. For accounting purposes, the grant date fair value of PSUs was calculated based on the probable outcome of the performance metric for fiscal 2023 as of the grant date. The assumptions used in calculating the grant date fair value of the RSUs and PSUs reported in this column are set forth in the notes to our audited consolidated financial statements included in the Annual Report. This amount does not reflect the actual economic value that may be realized by the executive officer.
- (4) The shares underlying the RSUs and earned PSUs vest as to one-quarter of the shares on March 1, 2024 and the remainder of the shares in 12 equal quarterly installment on each June 1, September 1, December 1 and March 1 thereafter, subject to the named executive officer remaining in continuous service with us through each such vesting date.

Amounts related to PSUs for which performance targets have been achieved, but remain subject to certification by the compensation committee as of December 29, 2023 are excluded. See “2023 Executive Compensation Program— Equity Awards” and “Other Features of Our Executive Compensation Program—Severance and Change in Control Benefits” for the vesting and acceleration condition applicable to these awards.

- (1) Includes the 2012 Plan and the 2019 Plan, but does not include future rights to purchase Class A common stock under our 2019 Employee Stock Purchase Plan (“2019 ESPP”), which depend on a number of factors described in our 2019 ESPP and will not be determined until the end of the applicable purchase period.
- (2) The weighted-average exercise price excludes any outstanding restricted stock unit awards, which have no exercise price.
- (3) Includes the 2019 Plan and 2019 ESPP. Stock options or other stock awards granted under the 2012 Plan that are forfeited, terminated, expired or repurchased become available for issuance under the 2019 Plan.

The 2019 Plan provides that the total number of shares of our Class A common stock reserved for issuance thereunder will automatically increase on January 1st of each year for a period of ten years commencing on January 1, 2020 and ending on (and including) January 1, 2029, in an amount equal to 5% of the total number of shares of capital stock outstanding on December 31<sup>st</sup> of the preceding year; or such lesser number of shares of Class A common stock as determined by our board of directors prior to January 1st of a given year. In addition, the 2019 ESPP provides that the total number of shares of our Class A common stock reserved for issuance thereunder will automatically increase on January 1st of each year for a period of up to ten years commencing on January 1, 2020 and ending on (and including) January 1, 2029, in an amount equal to the lesser of (i) 1% of the total number of shares of capital stock outstanding on December 31st of the preceding year, and (ii) 10,087,500 shares of Class A common stock; or such lesser number of shares of Class A common stock as determined by our board of directors prior to January 1st of a given year.

Accordingly, on January 1, 2024, the number of shares of Class A common stock available for issuance under the 2019 Plan and the 2019 ESPP increased by 16,553,987 shares and 3,310,797 shares, respectively, pursuant to these provisions. These increases are not reflected in the table above.

**PAY VERSUS PERFORMANCE**

As required by Item 402(v) of Regulation S-K, we are providing the following information about the relationship between the compensation actually paid to our Chief Executive Officer and our other named executive officers and certain aspects of our financial performance. Compensation actually paid was calculated for purposes of this disclosure in accordance with the applicable SEC rules and does not reflect the actual amount of compensation earned by or paid to our Chief Executive Officer or our other named executive officers during the applicable years. The compensation committee does not use compensation actually paid as a basis for making compensation decisions. For information concerning how and why our compensation committee arrived at specific compensation decisions for 2023, please refer to “Executive Compensation – Compensation Discussion and Analysis.”

In the table above, grant date fair values are computed in accordance with ASC Topic 718. Stock option grant date fair values reflected in the Summary Compensation Table were estimated using the Black-Scholes option pricing model as of the date of grant. Adjustments have been made using stock option fair values as of each measurement date, which may be either year end or as of each date of vesting, using the stock price and updated assumptions as of the measurement date. Assumptions include expected term, stock price volatility, dividend yield and risk free interest rates. PSU grant date fair values reflected in the Summary Compensation Table were calculated using the stock price as of the date of grant assuming target performance. Adjustments have been made using the stock price and the probable outcome of the performance metric as of each measurement date, which may be either year end or as of each date of vesting. RSU grant date fair values reflected in the Summary Compensation Table were calculated using the stock price as of the date of grant. Adjustments have been made using the stock price as of each measurement date, which may be either year end or as of each date of vesting. The assumptions used in calculating the grant date fair value of the stock options, RSUs and PSUs are set forth in the notes to our audited consolidated financial statements included in our Annual Report on Form 10-K for each applicable year.

- (3) Represents the average of the total compensation reported for our named executive officers as a group (excluding Mr. Pomel) for each applicable year in the Summary Compensation Table. The names of each named executive officer included for each applicable year are as follows: (i) 2023 and 2022, Mr. Obstler, Mr. Lê-Quốc, Mr. Agarwal, and Mr. Walters; (ii) 2021, Mr. Obstler, Mr. Lê-Quốc, Mr. Agarwal and Mr. Blitzer; and (iii) 2020, Mr. Obstler, Mr. Lê-Quốc, Mr. Agarwal, and Dan Fougere.

### Financial Performance Measures

### Analysis of Information Presented in the Pay-Versus-Performance Table

While our executive compensation program aims to provide incentives that motivate and reward achievement of our key performance goals and align our named executive officers’ interests with those of our stockholders by linking their long-term incentive compensation opportunities to stockholder value creation and their cash incentives to our annual performance, the compensation committee does not specifically select the performance measures that it uses in our executive compensation program to align with compensation actually paid, as calculated in accordance with the applicable SEC rules. Although compensation actually paid may be impacted by the performance metrics we use in our annual cash bonus plan and the design of our PSU awards, given our significant use of long-term incentive compensation, it may fluctuate significantly from year to year.

**Relationship between Compensation Actually Paid and Datadog and Peer Group TSR**

The following chart shows the relationships between compensation actually paid to Mr. Pomel and the average compensation actually paid to our other named executive officers as a group and the cumulative total shareholder return of our Class A common stock and the Nasdaq Computer Index for each covered fiscal year.

**Compensation Actually Paid and Net Income**

The following chart shows the relationship between compensation actually paid to Mr. Pomel and the average compensation actually paid to our other named executive officers as a group and our reported net income (loss) for each covered fiscal year. We do not currently use net income (loss) as a financial performance measure in our executive compensation program.

**Compensation Actually Paid and Revenue**

The following chart shows the relationship between compensation actually paid to Mr. Pomel and the average compensation actually paid to our other named executive officers as a group and our reported revenue for each covered fiscal year. The growth of annual revenue is a significant performance target in the design of our PSU awards granted in 2023 and 2022 and impacts the number of shares underlying those awards that are earned. While PSU awards comprised 50% of the target value of the long-term equity compensation granted to our named executive officers in 2022, compensation actually paid decreased sharply in 2022 as the price of the shares of our Class A common stock decreased during this period. Compensation actually paid, as calculated in accordance with the applicable SEC rules, includes adjusted values to unvested and vested equity awards granted in both prior and the covered fiscal years and generally fluctuates due to our stock price.

*All information provided above under the “Pay Versus Performance” heading will not be deemed to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing, except to the extent the Company specifically incorporates such information by reference.*

## CEO PAY RATIO

Pursuant to Item 402(u) of Regulation S-K presented below is the ratio of annual total compensation of our Chief Executive Officer to the annual total compensation of our median employee (except our Chief Executive Officer).

The ratio presented below is a reasonable estimate calculated in a manner consistent with Item 402(u). The SEC's rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. As a result, the pay ratio reported by other companies may not be comparable to the pay ratio reported below, as other companies have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

For fiscal 2022, we identified our median compensated employee from all full-time and part-time employees who were included as employees on our payroll records as of a determination date of November 30, 2022. We did not include any contractors or other non-employee workers in our employee population. We used a consistently applied compensation measure consisting of annual base salary, annual bonus or commission targets, and the grant date value of equity awards granted during fiscal year 2022. We annualized base salary, target annual bonus and commission for any full-time and part-time employees who commenced work during fiscal 2022 to reflect a full year, and non-United States employees' pay was converted to U.S. dollar equivalents using applicable exchange rates as of the determination date. There have been no significant changes to our employee population or employee compensation arrangements during fiscal 2023 that we reasonably believe would result in a significant change to our pay ratio disclosure. In accordance with SEC rules, we did not, however, use the same median employee for 2023 as we did for 2022, because the employee identified for 2022 had a material increase in total compensation in 2023. The median employee we selected for 2023 had substantially similar compensation in 2022 to the median employee identified for fiscal 2022 using our consistently applied compensation measure.

The fiscal year 2023 annual total compensation as determined under Item 402 of Regulation S-K for our Chief Executive Officer was \$11,644,934, as reported in the Summary Compensation Table. The annual total compensation as determined under Item 402 of Regulation S-K of our median employee for fiscal 2023 was \$227,941. The ratio of our Chief Executive Officer's annual total compensation to the median of the annual total compensation of all our employees for fiscal year 2023 is 51 to 1.

## NON-EMPLOYEE DIRECTOR COMPENSATION

The following table sets forth information regarding compensation earned by or paid to our non-employee directors for the year ended December 31, 2023:

Name	Fees Earned or Paid in Cash	Stock Awards <sup>(1)(2)</sup>	Total
Titi Cole	\$ 51,181	\$ 249,940	\$ 301,122
Michael Callahan	65,867	249,940	315,807
Dev Ittycheria	71,552	249,940	321,492
Matthew Jacobson <sup>(3)</sup>	—	—	—
Julie Richardson	68,367	249,940	318,307
Shardul Shah <sup>(3)</sup>	—	—	—

(1) Amounts reported represent the aggregate grant date fair value of RSUs granted to our directors during 2023 under our 2019 Plan, computed in accordance with ASC Topic 718, excluding the effect of estimated forfeitures. The assumptions used in calculating the grant date fair value of the RSUs reported in this column are set forth in the notes to our audited consolidated financial statements included in the Annual Report. This amount does not reflect the actual economic value that may be realized by the non-employee director.

(2) As of December 31, 2023, the aggregate number of shares underlying outstanding options and restricted stock unit awards held by each of our non-employee directors was as follows:

Name	Number of Shares Underlying Options	Number of RSUs
Titi Cole	—	6,236
Michael Callahan	5,182	2,603
Dev Ittycheria	240,000	2,603
Matthew Jacobson	—	—
Julie Richardson	28,128	2,603
Shardul Shah	—	—

(3) Mr. Jacobson and Mr. Shah have waived any compensation payable under our non-employee director compensation policy described below.

Each of Mr. Pomel, our co-founder and Chief Executive Officer, and Mr. Lê-Quôc, our co-founder and Chief Technology Officer, is also a member of our board of directors but does not receive any additional compensation for his service as a director. See the section titled “Executive Compensation” for more information regarding the compensation earned by these executive officers.

### Non-Employee Director Compensation Policy

Under our Amended and Restated Non-Employee Director Compensation Policy, each of our non-employee directors is eligible to receive compensation for service on our board of directors and committees of our board of directors as set forth below. In May 2023, the compensation committee reviewed a comprehensive assessment of our non-employee director compensation program prepared by Compensia, which included a survey of competitive peer group market data. Following this review, the compensation committee approved changes to the non-employee director compensation program in order to ensure ongoing competitiveness. The non-employee director compensation policy as amended and restated on May 9, 2023, is set forth below. Because the compensation committee increased cash compensation during the year and cash compensation is paid in quarterly installments, the increase was applied on a pro-rata basis to the three quarterly installments in 2023.

### Cash Compensation

The Amended and Restated Non-Employee Director Compensation Policy provides our non-employee directors with the following cash compensation for their services:

- \$50,000 per year for each non-employee director;
- \$74,000 per year for the lead non-employee director (if applicable) in lieu of the annual amount above;

## Table of Contents

- \$25,000 per year for chair of the audit committee or \$12,500 per year for each other member of the audit committee;
- \$20,000 per year for chair of the compensation committee or \$10,000 per year for each other member of the compensation committee; and
- \$12,000 per year for chair of the nominating and corporate governance committee or \$6,000 per year for each other member of the nominating and corporate governance committee.

The cash compensation above is payable to our eligible non-employee directors in equal quarterly installments in arrears, prorated for any partial quarter of service.

### ***Equity Compensation***

In addition to the cash compensation structure described above, the Amended and Restated Non-Employee Director Compensation Policy provides for the following equity incentive compensation program for non-employee directors. All such equity compensation will be granted under the 2019 Plan or any successor equity plan.

*Retainer Grant.* Each non-employee director may elect to convert his or her cash compensation under the policy into an award of restricted stock units (the “retainer grant”). If a non-employee director timely makes this election, each such retainer grant will be automatically granted on the first business day following the date the corresponding cash compensation otherwise would be paid under the policy. Each retainer grant will cover a number of shares of our Class A common stock equal to (A) the aggregate amount of the corresponding cash compensation otherwise payable to the non-employee director divided by (B) the closing sales price per share of our Class A common stock on the date the corresponding cash compensation otherwise would be paid (or, if such date is not a business day, on the first business day thereafter), rounded down to the nearest whole share. In addition, each retainer grant will be fully vested on the grant date.

*Initial Grant.* Each non-employee director who joins our board of directors will automatically, upon the date of his or her initial election or appointment to be a non-employee director (or, if such date is not a business day, on the first business day thereafter), be granted a one-time, initial restricted stock unit award (the “initial grant”), covering a number of shares of our Class A common stock equal to (A) \$400,000 divided by (B) the closing sales price per share of our Class A common stock on the applicable grant date, rounded down to the nearest whole share. Each initial grant will vest in three equal annual installments over the three-year period following the grant date, subject to continuous service through each applicable vesting date.

*Annual Grant.* On the date of each annual meeting of our stockholders, each person who is then a non-employee director of ours will automatically be granted an annual restricted stock unit award (the “annual grant”), covering a number of shares of our Class A common stock equal to (A) \$250,000 divided by (B) the closing sales price per share of our Class A common stock on the date of the applicable annual stockholder meeting (or, if such date is not a business day, the first business day thereafter). Each annual grant will vest on the earlier of the one-year anniversary of the award’s grant date or the date of our next annual stockholder meeting following the award’s grant date, subject to continuous service through the vesting date.

Each non-employee director’s then-outstanding equity awards granted under the policy (and any other then-outstanding equity awards held by the non-employee director that were outstanding and unvested immediately prior to the date of the execution of the underwriting agreement related to our initial public offering) will become fully vested upon a change in control (as defined in our 2019 Plan), subject to the non-employee director remaining in continuous service until immediately prior to the closing of the change in control.

### PROPOSAL 3

#### RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our board of directors has selected Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Deloitte & Touche LLP has audited our financial statements since 2016. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our amended and restated bylaws nor other governing documents or law require stockholder ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm. However, the audit committee is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of Datadog and our stockholders.

The affirmative vote of the holders of a majority of the shares present by virtual attendance or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP.

#### Principal Accountant Fees and Services

All fees described above were pre-approved by the audit committee.

#### Pre-Approval Policies and Procedures

The audit committee approves all audit and non-audit related services that our independent registered public accounting firm provides to us before the engagement begins. Pre-approval may be given as part of our audit committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual, explicit, case-by-case basis before the independent registered public accounting firm is engaged to provide each service.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the ownership of our common stock as of March 31, 2024 by:

- each person or entity known by us to be beneficial owners of more than five percent of our Class A common stock or Class B common stock;
- each of our named executive officers;
- each of our directors; and
- all of our executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules and regulations of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as indicated by the footnotes below, we believe, based on information furnished to us, that the persons and entities named in the table below have sole voting and sole investment power with respect to all shares that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 308,019,729 shares of Class A common stock and 25,945,861 shares of Class B common stock outstanding as of March 31, 2024. In computing the number of shares beneficially owned by a person and the percentage ownership of such person, we deemed to be outstanding all shares subject to options and RSUs held by the person that are currently exercisable, or exercisable or would vest based on service-based vesting conditions, as applicable, within 60 days of March 31, 2024. However, except as described above, we did not deem such shares outstanding for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated, the address for each beneficial owner listed in the table below is c/o Datadog, Inc., 620 8th Avenue, 45th Floor, New York, New York 10018.

## **Delinquent Section 16(a) Reports**

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of Datadog. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based on a review of the copies of such reports filed on the SEC's EDGAR system and written representations that no other reports were required, during the fiscal year ended December 31, 2023, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

## TRANSACTIONS WITH RELATED PERSONS

### **Certain Related Person Transactions**

The following is a summary of transactions since January 1, 2023 to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or holders of more than 5% of Class A common stock or Class B common stock, or any member of the immediate family of, or person sharing the household with, the foregoing persons, had or will have a direct or indirect material interest.

### ***Employment Arrangements and Equity Grants***

We have entered into offer letters and severance agreements with each of our named executive officers. For more information regarding these arrangements, see the section titled “Executive Compensation.” Each of our named executive officers has also executed our standard form of proprietary information and inventions agreement.

We have granted equity awards to our executive officers and certain members of our board of directors. For a description of these equity awards, see the sections titled “Executive Compensation” and “Non-Employee Director Compensation.”

### ***Indemnification Agreements***

Our amended and restated certificate of incorporation authorizes us to indemnify our directors, officers, employees and other agents to the fullest extent permitted by Delaware law. Our amended and restated bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by Delaware law and provide that we may indemnify our other employees and agents. Our amended and restated bylaws also provide that, on satisfaction of certain conditions, we will advance expenses incurred by a director or executive officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any executive officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. In addition, we have entered into an indemnification agreement with each of our directors and executive officers, which requires us to indemnify them.

### **Policies and Procedures for Transactions with Related Persons**

We have adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock and any members of the immediate family of any of the foregoing persons are not permitted to enter into a related person transaction with us without the approval or ratification of our board of directors or our audit committee. Any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of any class of our common stock or any member of the immediate family of any of the foregoing persons, in which the amount involved exceeds \$120,000 and such person would have a direct or indirect interest, must be presented to our board of directors or our audit committee for review, consideration and approval. In approving or rejecting any such proposal, our board of directors or our audit committee is to consider the material facts of the transaction, including whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person’s interest in the transaction.

## HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will likely be “householding” our proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or us. Direct your written request to us via email at [IR@datadoghq.com](mailto:IR@datadoghq.com). Stockholders who currently receive multiple copies of the Notice of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

**OTHER MATTERS**

The board of directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
